SEPTEMBER 2004 OREGON SECTION MEETING IS NOT BEING HELD — SEE YOU AT THE AEG 2004 ANNUAL MEETING IN DEARBORN, MICHIGAN

MESSAGE FROM THE IN-COMING CHAIR

The board has decided to forgo the September meeting again this year because of the AEG national meeting in Dearborn, Michigan, the following week. The Oregon Section board will meet Tuesday, Sept. 21, to make sure the program year gets off to a smooth start in October.

I am looking forward to the Dearborn national meeting. Glancing at the program, I see that the Oregon Section will not be as well represented as we have been in the past. I suspect this is due in part to

the venue, half way across the continent, and the associated expenses. I suspect too, that some of us have been too busy to write up our work and put together an abstract and presentation. I don't think it is for lack of new and unusual work being done in the Pacific Northwest. I will report back in October on the events of the annual Board Meeting.

I want to thank Warren Krager for his work last year as Chair. I will look to him for guidance and advice this coming year. I would

also thank Ruth Wilmoth, Jason Hinkle and Tim Richter as they retire from the board. Without their help our volunteer organization could not function.

I look forward to seeing you all on October 19 (Tuesday) for our first regular meeting of the program year. Julie Griswold and Lisa Glonek have been working to put together an interesting program.
